

LORMA DOC LAUDED FOR OUTSTANDING FEAT

Amianan Tribune March 26-April 1, 2011

SAN FERNANDO, LA UNION – The management and staff of Lorma Medical Center congratulates Dr. Maria Teresa V. Orlino, FPAFP for her new appointment as the new Chief Staff Physician, replacing Dr. Nelson Gundran. She will be handling all concerns pertaining to Lorma's Staff Physicians, while still being the head of the Lorma TB DOTS.

Dr. Ma. Teresa Orlino

Recently, the Philippine Coalition against Tuberculosis (PhilCAT) Monitoring and Evaluation Unit praised Dr. Orlino for her success in exceeding her targets for the year 2010. Among the Public-Private Mix Dots (PPMD) Units situated in Ilocos and La Union, her unit ranked the highest accomplishing 143% of her target for new smear cases. As an Active Referring Physician, she ranked second, accomplishing 117% of her new referrals target.

The doctors' excellent performance is once more a substantial proof that Lorma, in partnership with its physicians, strive for growth and advancement.
